

## Zelick Altman

Managing Director, Canada

Zelick is President of the LaSalle Canadian Income and Growth Fund series and Managing Director of LaSalle's Canadian operations. He has been President of the Fund series since its inception in 2002 and has directed all aspects of the day-to-day activities including acquisitions, asset management, financings and dispositions.

Zelick has over 25 years of real estate experience in institutional, public and private sectors of the industry. Prior to joining LaSalle Investment Management, he served as a Senior Vice President with Dundee Realty Corp., CREIT, and Counsel Property Corporation where he had responsibilities including acquisitions, asset management, and disposition of properties across Canada. He also ran his own real estate company, acquiring properties for his own account and for syndicates of private investors.

Zelick is a graduate of the Faculty of Applied Sciences at the University of Toronto and is registered as a Professional Engineer.
