

## Yasuo Nakashima

International Director, Tokyo

Yasuo is President of the LaSalle Japan Logistics Fund series. Since joining LaSalle in 2001, Yasuo has built the Japan Logistics team, program and network, acquiring more that JPY34 billion of deals. He has more than 17 years of direct real estate experience in Japan and the United States covering development, property management, leasing and investment brokerage.

Prior to joining LaSalle, Yasuo worked as a project manager with Recruit Cosmos Co., one of the largest multifamily residential developers based in Tokyo. While there he developed 21 projects totaling 1,500 units worth \$700 million. Prior to this he worked as a property manager with Xymax Co., where he was in charge of three data center properties located in the Tokyo area.

Yasuo holds an MSs in Real Estate Development from Columbia University and a BS in Architecture from Waseda University. He is a licensed real estate broker (Japan), a licensed architect (1st Class, Japan), and a real estate salesperson (New York).
